Acts 20:32

MONTHLY NEWSLETTER OF THE WORK OF PABLO AND KRISTEN
HORNA IN DAVID, PANAMA.

Greetings

Dear brethren, I hope and pray you are doing very well. May God bless you richly today.

Life & ministry

Thank God, Kristen, Samuel, and I are doing very well. These last months have been quite busy for us. We got covid-19 for the first time in August but recover quickly after a few days. Samuel is growing fast! He will be 9 months on October 27. He learned to crawl rapidly, and now he knows to stand by himself. We think he will walk before he turns 1 year.

In another hand, I want to announce that in January 2023 we will be serving in another congregation and city. The men of Santiago church of Christ offered me the opportunity to work with them. This congregation is located almost three hours from David city—where we live. The church consists of around 60 members and owns its building. Kristen and I are excited to begin this new work. Please, pray for us as we prepare to move this city and work with this congregation.

Work

Doleguita church of Christ. After struggling financially and spiritually as a church for months, Irving (the other men of the church) and I decided that the best for the congregation was to merge with the Andes church of Christ. The members agreed to this arrangement, except for three of them. Given their insistence, and even the problems they were causing, Irving and I decided to part and wish them well.

Eventually, the rest of the congregation placed their membership in Los Andes church due to their behavior. For now, I am serving in my home congregation while preparing to move to Santiago in January.

Evangelism. During these last months, I had the blessing to be part of two efforts to reach the lost. The first one was a campaign in Bocas del Toro where we had five days of door-knocking, Bible studies, and preaching during the night. We had the support of brethren from East Tennessee (see pictures). Also, I had the blessing to hold a gospel campaign in Santiago church (where I will be working) with brothers Tom Wacaster and Heiner Montealto (Costa Rica). This was an excellent campaign. We door knocked hundreds of houses and gained almost 20 “hot-contacts” (as brother Rob Whitacre would say), that is, potential conversions. We are confident we will hear of some fruits soon.

On the other hand, Kristen, Samuel, and I will be flying to Queretaro, Mexico on November 17. The church there is holding its second lectureship. I will be speaking on Biblical Criticism. Brothers Tom Wacaster, Eric Lyons, and others will be speaking too. We are excited for having the opportunity to be part of this lectureship and to know the church there. Please, keep us in your prayers. We will keep you posted.

Biblical Studies. I will soon finish my penultimate semester at Amridge. I am looking forward to it. It has been a very busy road, but I am enjoying it. Once I finish this semester, I would have to take three more classes to graduate. I am almost there!

We are tremendously blessed by your love and care. Thanks for supporting the work of the Doleguita church of Christ. Thank you for loving, supporting, and praying for your missionaries. We love you all. May God bless you.

In love,
Pablo & Kristen, Horna.
