

Dear brethren

May the richest blessings from our Lord be bestowed upon you. Greetings from Santiago, Panama.

We want to thank you for helping us financially to move to Santiago to be able to work with the saints at Santiago, Veraguas. Our hearts were filled with your love and care for us but also encouraged by the love you have for the church of our Lord and Savior Jesus Christ. Thank you so much!

We moved to Santiago on December 27, 2022. It is been almost a month since then but still feels like yesterday. We are still behind in some things, but thank God we were able to settle quite quickly.

We are excited to be part of the work of the Santiago church. There is a lot of work to do here, but we are confident that with the Lord's providence, the spiritual sword, patience, and working together as a church, we can make a difference in this community.

Please, pray for the Santiago church of Christ as we all here strive to honor our God and his Word, and reach the lost for his glory.

In Him,

The Horna's
